According to the Machinery Directive 2006/42/EC - art 13 - annex II, part 1, sect B - annex VII, part B and annex VI

CE MARK DATE 18/10/1996

Product NET4T25PVN010**Description** MOTOR VNT 25-40 /2169**Company** REGAL BELOIT ITALY SPA Via Modena, 18 24040 Ciserano Loc.Zingonia (BG)

Declares

Herewith declares, that the direct-driven fan, manufactured in the Regal Beloit Italy Spa plant in Ciserano (Zingonia), Italy, and individually identified, according to its name-plate, by Product designation, Part number / Revision, qualifies as a partly-completed machine, according to Article 2 clause (g), and does comply to the following basic requirements of the Machine Directive (2006/42/EC): Annex I, Article 1.1.2, 1.3.7, 1.5.1.

All products are also developed, designed and manufactured in accordance with the Low Voltage Directive 2014/35/EU, the electromagnetic compatibility directive EMC 2014/30/EU, and according to Directive 2011/65/EU (RoHS Recast) and Directive 2015/863/EU of 31 March 2015 amending Annex II.

Elco's products delivered into UE Market do not contain substances exceeding defined maximum concentration values, as provided in the Annex of RoHS Directive.

We inform you, in compliance with the Regulation 1907/2006 (REACH), we know our duties related to this Rule.

We supply "items" that, under normal or foreseeable conditions of use, don't release any substance; particularly our activity is in accordance with Art.3, paragraph 24 of the above Rule.

Besides, we don't use items with very dangerous substances called SVHCs (substances of very high concern) mentioned in the list published by ECHA in January 2020 (total 205 substances)

The relevant technical documentation is compiled by Regal Beloit Italy Spa, and stored at the same address above, and the manufacturer accepts to transmit such documentation, on the partly completed machinery, on paper or in electronic format, in response to a reasoned request by the national authorities.

This partly-completed machine must not be put into service until the final machinery into which it is to be incorporated has been declared in conformity with the provisions of the Machine Directive (2006/42/EC).

Standards to which conformity is declared:

EN ISO 12100

General principles for design - Risk assessment and risk reduction

EN 60529:1991/A2:2013

Degrees of protection provided by enclosures (IP code).

EN 60335-1:2012

Safety of household and similar electrical appliances; part 1 : General requirements (See Declaration of Conformity Directive par. 10-11-13-16-18-19-21-23-24. 1-25-27-29).

EN 60335-2-24:2010 Safety

Safety of household and similar electrical appliances; part 2 : Particular requirements for refrigerators, food freezer and ice-makers.

EN 60079-0:2012; EN 60079-0:2018 Spark free
